

# Same Thing

JME

I'm just doing the same thing  
I just keep doing the same thing  
I'm just doing the same thing  
I just keep doing the same thing

I've been there and I've done that  
And I'm done with all this gun chat  
I'm not mainstream, I'm underground  
I've gone nowhere so I can't come back  
Cause I stayed here, on my Js  
Now you man can't look in my face  
They've tried me, but I won't change  
My music just to get paid  
Fuck a label, fuck an A&R  
Fuck radio  
They don't care what I've gotta say so  
They don't give a shit about how I make dough  
Why everyone breads them, fam, I don't know  
I only care about my supporters  
They show love when they come to my show  
So I make sure that I'm doing the same thing

Trust me, and I ain't ever stopped bruv  
They support me and I'm not even a football team fam  
They wanna hear this and I wanna make this  
So SHUT YA MOUTH

I've been there and I've done that  
I've spent Ps, now I've got my funds back  
Now I'm grinding on this grime ting  
I go mad like techno viking  
I do my ting, I don't watch face  
I put stones in my Casio watch face  
iPod with a digital clock face  
Now tell me grime don't pay  
I will never live life beyond my means  
Content with what I had in my teens  
Anything I get right now is a bonus  
Dem man get overcome with greed  
If it ain't broke, it don't need fixing  
I ain't broke so I won't make a shit single, it's a joke  
Man are putting out music like a hoax

Well well well, you man keep hating  
I come back, same flow, I ain't changing  
With the same durag and the same grin  
I ain't ramping, this ain't a skate park  
Wanna do music? Yeah, it takes heart  
Real talk, this is business  
I don't just chat, fam, I live this  
Amen  
Teeza production
