

Wagwarn Mumsy

JME

Where and when?

I told you already, you know what I'm riding
(Teddy)

You know my ting

If it's onsite, won't stop til' I find him (Gone!)

Pull up on family, pull up on bredrins

Where is he hiding?

Wagwarn mumsy, sorry to bother you

Bidi-bup-bup

Where and when?

Just like duppy, I'll be squaring dem

When I come out of nowhere with couple friends

Look at his pupil and his eye lense when he saw the amount of shanks and ske
ngs

For real, I didn't come to pretend

Just like SMS, bullet get sent

Could've been old school or new gen

Zangief, Ryu, Ken

Coulda' been road, coulda' been in pen

Man will catch man even den'

Weirdo actin' odd, I'm gonna make it even den'

Can't catch him in the morning, I'll catch him in the evening den'

These bullets, you're gonna be receiving dem'

Just tell me when and where, trust me blud I'm there

All that bullshit talkin', you can keep that over dere'

I don't trust these snitches, I can smell something in the air

Make sure you put on the right gear

Mandem need to prepare

Hold on, I swear that's my man there

It's on, circle back now my mans gone

I need to see where my man gone

Man try hide in bush and thorn

Cotching like it's the norm

That's when man start letting off corn

Where and when?

I told you already, you know what I'm riding

You know my ting

If it's onsite, won't stop til' I find him (Gone!)

Pull up on family, pull up on bredrins

Where is he hiding?

Wagwarn mumsy, sorry to bother you

Where can I find him?

Where and when?

I told you already, you know what I'm riding

If my gangs fighting, Michael Phelps when I dive in

Ever since it's a onsite ting, seen man less than a UFO sighting

I did my chores on the Opps

Street sweeping, pressing and ironing

Better watch what they're typing, these guys who we ain't fighting

Arm so long from the side of the road, it's looking like mans hitchhiking

Approach me on a mad ting, you can hold one in your face for the biting

Mana' been training, F mans Union

Bro everyday of the week I'm on striking

Saw man spray on a scythe ting

String man up on a kite ting
Violate, back on the pride ting
Metal to head, man look like a Viking
Mans old-school biking
Driller, a moped or it's a tyfe ting
Thought you was rough, just 10 days later
Bury dem', funeral, prayers reciting
Mans excited, Rolex sweep and Rolex swiping
Man see a flash and suttin' run by him
That's not Usain Bolt, that's lightning
Turn up anywhere, fuck all the Discord calls
And Zoom, Facetime and Skyping
Man wanna war like mans enticing
Fling mans coat like mans M Bison

Where and when?
I told you already, you know what I'm riding
You know my ting
If it's onsite, won't stop til' I find him (Gone!)
Pull up on family, pull up on bredrins
Where is he hiding?

Open up for' your whole street affi' get woken up fam
Where and when, no just where
Cause' when I'm there it's happening den'
I'm rugby tackling them
Streetfighter 4, mans tagging again
Broken frames, snap the glasses and start damaging lense
Ain't safe for you or your bredrin
Rude boy you're gonna have to travel in 10's
You're gonna have to travel in Benz just to go shop, mans hustling friends
That little window from when he gets out the car to the door, mans dragging
him den'
GPS tracking him, Google mapping him, can't hide
I'm a London boy but mans worldwide like 21 Savage and dem'

Who, what, why, what, where, what, when?
Big .357 ain't got no friends
Put him in a spliff, get mixed with blem
Slap two shot, I ain't come to pretend
Send five shots in your direction
Den' there gonna need more protection
When tings lift up, come like [?], don't care who that offends
All I need is a location, I do a mad ting and then end up on probation
Violate, the retaliation
Come quick my nigga, I've got no patience
When and where? Let man know
Then I'm there, I am on smoke
Make it clear when we fire shot, we don't aim in the air (Sky!)

Where and when?
I told you already, you know what I'm riding
You know my ting
If it's onsite, won't stop til' I find him (Gone!)
Pull up on family, pull up on bredrins
Where is he hiding?
Wagwarn mumsy, sorry to bother you
Where can I find him?
