Aye turn me up  
Aye turn me up

Turn me up  
Don't turn me down  
Yeah I run this town  
I smoke that gas just by the pound  
Put my heart on freeze  
They sing my melodies  
I used to be so bummy  
But you know my money clean  
My bitch love EDM  
My bitch love EDM  
I walk in the club I feel that bass  
Feel that bpm  
My bitch love EDM  
My bitch love EDM  
She feeling my heartbeat  
In the backseat my BPM

I feel a lil anxious  
When this blunt not in my hand  
I feel a lil anxious  
When this cup not in my hand so  
So I'ma just smoke until I'm dead  
I'ma just sip until I'm dead
