

Good Day

JMIN

Run it up, run it up, run it up, cause today's gon' be a good day
Fuck it up, fuck it up, fuck it up, I'm really gon' fuck your bitch today
No way, no way, no way, ain't nothing really fucking up my day
With the gang, with the gang, with the gang, stay the same way
you know I never change

I just had to flex up, I'm dripping from the neck up
Remember she would diss me, now she want me cause I'm next up
I'm posted with the gang gang, smoking on that big stick
Now your bitch wanna fuck me cause she saw that brand new diamond chain

I'm fucking on your bitch today
See me with the drip today
Ayy, and I swear this shit so crazy like I'm in a fantasy
Your girl she wanna fuck me cause I know she be a fan of me
Ayy, pipe down
Said I wasn't sure but she want me now
Turnin' all these heads when I walk around town
Never knew my name, now it's all up in their mouth
Yeah, skrt off, I just really hop out of that coupe
Ran off, see me I might just fuck on your boo
Take off, never chase a bitch don't be a fool
Only money I be chasing after is the blues

Run it up, run it up, run it up, cause today's gon' be a good day
Fuck it up, fuck it up, fuck it up, I'm really gon' fuck your bitch today
No way, no way, no way, ain't nothing really fucking up my day
With the gang, with the gang, with the gang, stay the same way
you know I never change

I just had to flex up, I'm dripping from the neck up
Remember she would diss me, now she want me cause I'm next up
I'm posted with the gang gang, smoking on that big stick
Now your bitch wanna fuck me cause she saw that brand new diamond chain
