Top floor post with ya bitch
Pose for the pic
I stay with your bitch
5 star shit
I stay with your bitch
Fah, fah, fah

The girl of your dreams
I promise you that shit is nothing to me
The girl of your dreams
She probably right here just suckin' on me
I stay with your bitch
She pose for the pic
All of my brothers on five star shit
The girl of your dreams
She doing stuff to me you wouldn't believe
Top floor penthouse shit
KC lifestyle
Yeah I stay too clean
I'm rocking these shows
I'm counting these racks
Yeah they pop out my jeans
How did you do it?
How did you do it?
I need to know
How did you do it?
Turn your whole life into gold

I bag me a ten
I smash on that bitch
Then I fly out the city
I'm in your city
Come and find me bitch
I ain't hard to find
I'm smoking loud pack backstage
I'm with your hoe and we backstage
They scream my name on the main stage
I done came up with the same gang
Top floor GT3 when I whip it
'Member back then used to trap in a Civic
She don't sip but when she with me
She wanna take a lil sip
That is your bitch well, shit
That is a thot to me
I'm getting money off Ecstasy
Counting this paper 'till I fall asleep

Top floor views with your bitch and I take a pic
Top floor views yeah I might just take a piss
Bitch I stay too clean
All my diamonds like pee
While they be talking 'bout me
I'm on the top floor shit

The girl of your dreams
I promise you that shit is nothing to me
The girl of your dreams

She probably right here just suckin' on me
I stay with your bitch
She pose for the pic
All of my brothers on five star shit
The girl of your dreams
She doing stuff to me you wouldn't believe
Top floor penthouse shit
KC lifestyle
Yeah I stay too clean

I'm counting these racks

How did you do it?
How did you do it?
