

# I Know Why

JMIN

I said one, two, watch me pull up in that new range  
Three, four, shawty want me for the fame  
Five, six, sorry baby, it's too late  
You wasn't fucking with me then  
So why you fucking with me now?  
I know why  
I'm the reason that you came here for  
Yeah, baby, I know why  
I'm the reason that you came here for (Yeah)

I said one, two, watch me pull up in that new range  
Three, four, shawty want me for the fame  
Five, six, sorry baby, it's too late  
You wasn't fucking with me then  
So why you fucking with me now?  
I know why  
I'm the reason that you came here for

I'm the reason that you came here for (Yeah)

I'm gon' fuck it up, she gon' lick it up, she gon' eat it up  
Baby drop it down and you know I'm just boutta beat it up  
Turn around, baby bust it down, we gon' fuck around  
Used to chasin' bitches, now I'm only chasin' money now  
You was always at the gym, but I been flexin'  
You was playing Fortnite, I was gettin' checks in  
You been sitting at a desk like you in detention  
I ain't worry about no bitch, I ain't never stressin'  
I just pulled up with my whole gang  
I'm gon' hop up in the rari, hit the gas it go vroom vroom  
In it for the money not the fame  
My brother Nae keep the .40 and you know it just go boom boom  
I can tell why they hatin' on me  
Yeah she wet, wanna ride me, jetski  
Cuz, I just ran my check up  
Flexin' like a wrestler  
I just keep that .40 on me

I said one, two, watch me pull up in that new range  
Three, four, shawty want me for the fame  
Five, six, sorry baby, it's too late  
You wasn't fucking with me then  
So why you fucking with me now?  
I know why  
I'm the reason that you came here for
