

Make U Mine

JMIN

Tell me all the time, shawty, what's on your mind?
Tell me, what's the plan, shawty? Let me ease your mind
Take you to rodeo
I'ma treat you right
Just come and spend some time with me
I'ma make you mine
I'ma take you in that brand new drop top, it's the latest
Let me drive you 'round the town, lil shawty, be my favorite, bae
You can be favorite thing
You can be favorite thing
I like the way you talk and how you move them hips so

Shawty, won't you hop up in my ride?
I can show you things you never seen before
Shawty, won't you put your lips on mine?
Let me take you out
Let me treat you out

I seen you before and I can't waste no time
I seen you before and you stay on my mind
I seen you before, I'm tryna make you mine
I seen you before and I
I seen you before and I
I seen you before and I can't waste no time
I seen you before and you stay on my mind
I seen you before, I'm tryna make you mine
I seen you before and I
I seen you before and I

We gon' drop the top and drive until the sun goes down, baby
I know life is way too crazy, let me leave my phone dead
You know how to make me smile, can you do this all day?
I don't wanna cry, boy, I just wanna fly
Run to the moon and back, wish I could
Feelin' so right when I'm next to you
☐☐ ☐☐ ☐☐ ☐, ([Romanized:] haru jongil neowa na) vibes only good
We just havin' a good time
We havin' a great time

Baby, can you take me for a ride?
I can show you things you never seen before
Baby, won't you put your lips on mine?
Baby, kiss me like
It's the last time

I seen you before and I can't waste no time
I seen you before and you stay on my mind
I seen you before, I'm tryna make you mine
I seen you before and I
