

# RIP MY DAWG

JMIN

When I'm gone just roll get high for me  
Uh huh, roll up get high for me  
RIP my bro, RIP my dawg  
Get high for me

RIP my dawg I feel your pain  
I hope you find your peace  
Gotta get the paper  
Chasing paper  
Till the death of me  
Ion feel the pressure  
Goin' hard you can't get rid of me  
Baby when I'm gone  
Don't cry roll up get high for me  
Waste no time  
Make up your mind  
Don't listen to the hate  
I gotta take what's mine  
I take  
I take what's mine  
I swear to God I paid the price  
The stars align  
It's time to shine

Doin' shows and fucking hoes  
I ain't been living right  
Sorry momma know you pray for me  
That imma change my life  
I said RIP my brother  
Hope your mind is just at ease  
I'm been drinking every night  
Someone come take me from this dream  
Cry for real  
I'm tryna get high forreal  
I lost my brother same night  
Was tryna die forreal  
I hadda take a risk  
I took a risk to get rich  
Now we just too lit too legit  
Told em to suck my dick  
Took a long while yeah to get like this  
You can knock me down  
But I get up like this  
Long way from home  
But I'll be back don't trip  
Just roll up and get high cause
