

In that spaceship, watch me take off in that fucking spaceship, yeah
That bitch is stainless, yeah

Swear that I've been running out of patience (Patience)
Hop up and I blast off in that spaceship (Spaceship)
Keep that .40 on me, that bitch stainless
Fucking with lil bro, we leave you brainless, yuh
Swear that I've been running out of patience (Patience)
Hop up and I blast off in that spaceship (Spaceship)
Keep that .40 on me, that bitch stainless (Stainless)
Fucking with lil bro, we leave you brainless, leave you nameless, yuh

(Lame shit) all you pussies, you be on that same shit
(Gang shit) with my brothers, we ain't do no faking
(Bang bitch) C gon' let it blow, we leave you faceless
(Lane switch) only fucking with her if she basic
Just got off the phone, Cameron coming home, yeah
Shawty wanna fuck, cause she see I'm up, yeah
I don't even know, what the fuck I'm on, yeah
Always on the road, mama miss her son, yeah
But I'm fucked up, I've been really goin' with the motion
Bucks up, I just wanna fuck don't need no Trojan
Run up, try and snatch my chain and leave you frozen
Stuck up, why she always play with my emotions

Swear that I've been running out of patience (Patience)
Hop up and I blast off in that spaceship (Spaceship)
Keep that .40 on me, that bitch stainless
Fucking with lil bro, we leave you brainless, yuh
Swear that I've been running out of patience (Patience)
Hop up and I blast off in that spaceship (Spaceship)
Keep that .40 on me, that bitch stainless (Stainless)

Yuh, pour a deuce in the Sprite
I just be shining too bright, roll a beamer all white
Got me feeling alright, pour the deuce in the Sprite
Pour the deuce in the Sprite, double cup, got the ice
I've been waiting, I've been patient
See me in that drop it ain't no rental
Bezels in my teeth, got shiny dental
Chiho fold that fuckboy like a pretzel
I've been waiting, I've been patient
See me in that drop it ain't no rental
Bezels in my teeth, got shiny dental
Chiho fold that fuckboy like a pretzel

Swear that I've been running out of patience (Patience)
Hop up and I blast off in that spaceship (Spaceship)
Keep that .40 on me, that bitch stainless
