

# TREESH

JMIN

I think they like what they see  
But you can't get like me  
Baby I'm high as can be  
I feel like I'm stuck in a dream  
She wanna geek all weekend  
I think she stuck in the deep end  
She wanna fuck on me  
But you cannot fuck with me  
Go on the highway and roll up that shit  
Roll up that sticky  
Betta watch your back cause you get hit up  
Just like you Ricky  
Bye-bye  
Bitch you  
Gone, gone, gone, gone  
Bye-bye  
Bitch you  
Gone, gone, gone, gone

I can't stress bout money  
Stress bout pussy  
Cause that shit come and go  
Watch who you call your bro  
They show you this love  
But they hate on the low  
Hot as fuck  
In this club  
Turn the A/C on  
High as fuck
