

# Tryna Find Your Love

JMIN

I'm tryna find your love (Your love)  
I'm tryna find your love (Your love)  
I'm tryna find your love  
But I can't, I'm just running around  
And I'm feel so lost 'cause I need you now  
I'm tryna find your love

Yeah, yeah, yeah, yeah, ye-yeah, aye  
Yeah, yeah, yeah, yeah, ye-yeah, aye  
Yeah, yeah, yeah, yeah, ye-yeah, aye  
Yeah, yeah, yeah  
I'm tryna find your love

Round and round and round inside my head  
Round and round and round inside my brain  
Back and forth we go, it just don't end  
Everywhere I go, it's a dead end  
Yeah, hop inside my whip and let's just roll another up  
Let's get high, talk 'bout stupid shit until we fall asleep  
It's okay, we still young, let's not think about a thing  
Not a worry on my mind, blowing smoke into the night  
I can't find it, I can't find it  
So I keep searching, I keep searching  
I'm tryna chase you down the hall but you keep running away  
And I'm just tryna find your love, I hope we meet someday

Hey, I been on my own now, I can't go back right now  
Wish I could turn time round but seems like I can't find you  
And now I can't go back to the times  
We was just playing skipping school everyday  
Everybody would hate but I don't care what they say  
'Cause it's fuck you, fuck that shit

I'm tryna find your love (Your love)  
I'm tryna find your love (Your love)  
I'm tryna find your love  
But I can't, I'm just running around  
And I'm feel so lost 'cause I need you now  
I'm tryna find your love

Yeah, yeah, yeah, yeah, ye-yeah, aye  
Yeah, yeah, yeah, yeah, ye-yeah, aye  
Yeah, yeah, yeah, yeah, ye-yeah, aye  
Yeah, yeah, yeah  
I'm tryna find your love
