Tokyo, Paris, Milan  
I go wherever you want  
I'm off these drugs, I'm geeked  
I don't know what I be on  
I don't know what to believe  
Do you love me or my songs?  
I'm sorry my Mom  
I'm living so wrong  
But I don't know when I'll be gone  
X X X X X  
I can't sleep  
X X X X X  
I can't breathe

She know I'm the Don

I'm chasing these dollars and won's

I'm chasing these dollars and won's  
It's crazy to think how my life just begun  
Know I done came from the swamp  
I'm a Florida baby so I stay by the sun  
Pussybois they get cropped out  
I'm off this X don't crash out  
Know my ex bitch gon' lash out  
KC KC rock out  
I was just gone but I'm back on my shit  
I'ma go hard kickflip in my Rick  
I hadda take a fucking big risk  
Now I'm probably just posted up with yo bitch  
I get my racks and I stay out the way  
I get these racks and I stay in my lane  
I get these racks, I put 'em in the bank  
All of my brothers gon' keep it a K  
X X X X
