

YIN & YANG

JMIN

Me and my bro we sum like twins
We like Yin and Yang
Me and my gang we too locked in
Something like a chain
I call him my evil twin, we count these racks
On FaceTime, FaceTime
I'm calling your bitch she showing her tits
On FaceTime, FaceTime
Money keep pilin' in
Dolla sign, dolla sign, dolla sign
Yeah we too locked in

Can't trip boutta bitch
Me and my gang yeah
We speak the same lingo
Count up these racks
Five nights in a row
Fuck if we callin' out bingo
Cause I love these racks
And I love this cash
No I can't relax 'till we all seaside
Puffing that gas
Just popped two Mollys
I'm on my teen x shit
All my brothers keep sticks no band shit
All my jeans got tears I ain't got no fear
Getting richer than all of my peers

Stay with my dog like Lilo and Stich
