

# Cherry Pop

JMSN

Let's meet up in the parking lot  
Light a cigarette, then we hit the spot  
Let's not wait for the bass to drop  
Lemme just suck on your cherry pop

Said lemme just suck on your cherry pop  
Said lemme just suck on your cherry pop  
Said lemme just suck on your cherry pop  
Said lemme just suck on your cherry pop

Imma take you back to my secret spot  
Pump the thermostat, gonna get you hot  
Open up your safety deposit box  
Lemme just suck on your cherry pop

Said lemme just suck on your cherry pop  
Said lemme just suck on your cherry pop
