

# Dirty Dog

JMSN

Do or die  
I'm all prepped up before dawn  
By sunrise  
I automatically get turned on  
Bloodshot eyes  
Breaking out my little shabby tongue  
I'll lick it dry  
If I'm sniffin' 'round you betta know it's on

You know I want it all  
Feed it to me raw  
Chain me to the wall  
You know I'm with it  
It's pulsin' in my claws  
Burnin' in my jaw  
Bouncin' up the walls  
Let me do my business

Imma dirty dirty  
Imma dirty dirty  
Imma dirty dirty dog

Imma dirty dirty  
Imma dirty dirty  
Imma dirty dirty dog

Back outside, yea  
I can't just leave this thing alone  
I don't play nice  
Drool drippin' down from the bone  
I won't die  
(No I won't die)  
I can handle a little heat stroke  
The air is dry  
(Air is dry)  
But I'm completely soaked

You know I want it all  
Feed it to me raw  
Chain me to the wall  
You know I'm with it  
I'm not afraid to crawl  
Chase you when you call  
Tell me to get lost  
But lemme do my business

Imma dirty dirty  
Imma dirty dirty  
Imma dirty dirty dog

Imma dirty dirty  
Imma dirty dirty  
Imma dirty dirty dog

Imma dirty dirty  
Imma dirty dirty  
Imma dirty dirty dog

Imma dirty dirty  
Imma dirty dirty  
Imma dirty dirty dog
