

Don't Make Me Change

JMSN

Ooh, ooh-ooh, ooh, ooh, ooh, ooh, ooh, ooh-ooh
Ooh-ooh, ooh-ooh
Ooh, ooh-ooh, ooh, ooh, ooh, ooh, ooh, ooh-ooh
Ooh-ooh, ooh-ooh
Yeah, yeah, yeah, ah-ooh

I got this feeling inside me and I don't know if it's wrong
The things that use to define me are somehow just gone

Told myself that the only option is to change what I like
But that comes back to bite me right in the yea yea yea
But the last thing that I will admit is that maybe you were right
And I can't help but wonder

Is it crazy for me to hold onto the things that made
All the things that I am it somehow gave me
A chance to finally believe that I'm not crazy
So don't make me change who I am
Who I am
Who I am
So don't make me change who I am

Feels like I'm playin' with lightning and it's about to go off
This attitude is unlike me but I can't drop the ball

I broke down every single situation all of my life
But that comes with a price yea
And what I'm sayin' is,
That the last thing that I said to you is that somehow you were right
And I can't help but wonder...

Is it crazy for me to hold onto the things that made
All the things that I am it somehow gave me
A chance to finally believe that I'm not crazy
So don't make me change who I am
Who I am
Who I am
So don't make me change who I am

Ooh, ooh, ooh, ooh-ooh, ooh
Ooh, ooh, ooh, ooh
Could it be that I forgot the way it was
Back when nothing meant as much
And if time is just the second hand of love
Tell me why am I in a rush,
When it don't matter at all? (No)
No, it don't matter at all (Yeah, say)
Said, it don't matter at all (It don't matter)
It don't matter at all (It don't matter)
It don't matter at all (It don't matter)
It don't matter at all (I said it don't matter)
No, it don't matter (It don't matter at all)
And we don't matter, uh
We don't matter at all (It don't matter at all)
It's, it's really hard to...
