Nothin but drama  
Nothin but drama

Nothin but drama

I got that fire burnin in my eyes  
Through summer spring the falll and winter time

Maximize  
Compromise  
Patronize  
Its so sparatic  
Realize  
Most the time  
Things are just so enigmatic

Philosophie  
The things inside  
Dress up they're not just static  
Step outside  
Simplify  
Make it so its not so tragic

Nothin but drama  
Nothin but drama

Nothin but drama  
Nothin but drama

Cover up all my insecurities  
I swear this will be the death of me

Realize  
Most the time  
Things are just so enigmatic
