

Everything Fades

JMSN

Said, everything.
Everything.
Everything fades away.

It all just fades away

Everything.
Everything.
Everything fades away.
It all just fades away.
Nothing stays the same.

'Cause everything
Everything.
It all just fades away.
Everything fades away.
Fades away.

And, I wish it could.
Wish it could.
Wish it could stay the same.

But, Everything.
Everything.
Everything fades away.
