

## Explicit

JMSN

How come everytime I wanna kick it  
You just think I wanna get explicit  
Tell me why you can't ever get with it  
When you all I wanna do is kick it

Take a seat baby  
Have a drink baby  
Now let that sink down inside of you  
No need to over think just do what it do

How come everytime I wanna kick it  
You just think I wanna get explicit  
Tell me why you can't ever get with it  
When you all I wanna do is kick it

I swear I'm not peekin' baby  
See I just got desires God gave me  
And these feelings ain't fleetin' no time soon  
Cause girl you got that pink and its turnin' me blue

How come everytime I wanna kick it  
You just think I wanna get explicit  
Tell me why you can't ever get with it  
When you all I wanna do is kick it

You and I should both be satisfied  
You know I just wanna have a good time  
So baby tell me why

How come everytime I wanna kick it  
You just think I wanna get explicit  
Tell me why you can't ever get with it  
When you all I wanna do is kick it
