

Goodbye

JMSN

All my life
I've been patient and waiting
When the time is right
And I've finally made it
I'll leave

Goodbye
Goodbye
Goodbye
Goodbye

Open my eyes
And the light is cascading
'Made up my mind
Yea, there's no use debating
'Cause I'm gone

Goodbye
Goodbye
Goodbye
Goodbye

Goodbye, baby
Oh oh goodbye, baby
Oh oh oh goodbye, baby
Goodbye, baby
Oh oh goodbye, baby
Goodbye, baby
