

## Levy Pt. II

JMSN

Yeah, change gonna come  
And all you youngin's gonna grow up  
By the time you figure out where you fucked up, it's too late  
And you can't go back  
I learned that the hard way  
'Cause it ain't all it's cracked up to be to be too cool  
Forefront of the new school  
There's always someone there to do it better  
All the things you thought you had the most of gon' slow up  
And you realized the downside of the shortcuts you took to blow  
up  
And then what?  
See, choices ain't so easy when you understand the consequences  
Of course if it don't make dollars it don't make sense  
But you can't keep playing ignorant  
Cause it's a small small world  
And you can't take back the things you say

Let the rain fall down  
Going, going, wash it all away  
Let it, let it overflow  
Rain, till the levy breaks  
Let the rain fall down  
Going, let it overflow  
Let it, oh  
Till the, till the levy breaks  
Let it rain, oh  
Yeah
