

Love The Things U Hate

JMSN

A little violation...
Can open up the space...
To pure contamination...
Of a once innocent place
A quick demonstration...
'How I'm stuck in my own ways
A simple complication...
I love the things you hate

Stop getting on my case
I love the things you hate
Stop getting on my case

Ok, ok, ok, ok
Ok, ok, ok, ok
Ok, ok, ok, ok
I said, ok!

What you want?
What you want?
What you want?
What you wanna say?
I say, you say, we say runaway
Hop scotch, criss cross, big dogs penetrate
Widespread, spit talk, get lost, hideaway
I want, we want a little bit of everything
He want, she want something good to demonstrate
Lay back, way back, think we gotta separate

I love the things you hate
Stop getting on my case
I love the things you hate
Stop getting on my case

A little violation...
Can open up the space...
To pure contamination...
Of a once innocent place
A quick demonstration...
'How I'm stuck in my own ways
A simple complication

I love the things you hate
Stop getting on my case
I love the things you hate
Stop getting on my case

I love the things you hate
I love the things you hate...
