

# Outsider

JMSN

I thought about  
All of these people  
Passing me by  
Why does it get me down?  
I'm window shoppin'  
I want what they got  
Everyone's laughin'  
Why won't they let me in?

I'm just an outsider  
Yeah  
I'm just an outsider  
Yeah. yeah, yeah, yeah, yeah  
Outsider  
Yeah  
I'm just an outsider  
Yeah, yeah, yeah, yeah

All of a sudden  
It's time for taxes  
So many bills to pay  
And I'm out of practice  
Forgot how it was  
Before I imagined  
I could do anything  
But this is what happened  
The road got to rough  
And I lost my traction  
Forget about love  
There's no satisfaction  
I'm packing it up  
I lost all my passion  
Enough is enough  
It's gone out of fashion

I'm just an outsider  
Yeah  
I'm just an outsider  
Yeah, yeah, yeah, yeah  
I'm just an outsider  
Yeah, yeah  
I'm just an outsider  
Whoah-oh, whoah-oh

I can't believe I never noticed that  
If not for me, I would've already known this  
And there's a seed that just keeps growin' inside  
It's got to be, 'cause it's already showin'

Yeah  
Just an outsider  
Yeah, yeah, yeah, yeah  
I'm just an outsider, yeah  
Yea-ah  
I'm just an outsider  
Yeah, yeah, yeah, yeah, yeah, yeah  
Just an outsider

Yea-ah, yea-ah

Went to the preacher  
Right up to the steeple  
Teacher, oh, teacher  
I can't be so cynical  
You tell me it takes some time  
But I'm 'bout to lose my mind  
I can't keep goin' on and on  
Somethin's gotta give, yeah, yeah

Ain't nobody wanna hear from me  
So I stay quiet and behind the scenes, yeah  
Missin' all the most important pieces  
Doin' everything without a reason why

Ain't nobody wanna hear from me  
So I stay quiet and behind the scenes, yeah  
Missin' all the most important pieces  
Doin' everything without a reason why

Ain't nobody wanna hear from me  
(Just an outsider)  
So I stay quiet and behind the scenes, yeah  
(Just an outsider)  
Missin' all the most important pieces  
(Yeah, yeah, yeah, yeah)  
Doin' everything without a reason why  
(Just an outsider)  
Ain't nobody wanna hear from me  
(Just an outsider)  
So I stay quiet and behind the scenes, yeah  
Missin' all the most important pieces  
Doin' everything without a reason why

See, I been this way all my life  
Been called selfish more than twice  
People would give me their advice  
But I just nibble and never bite  
See, me, I always try to keep it light  
And that always seems to make some people tight  
But everything ain't always black and white  
And I gotta do what I consider right, yeah  
Problems used to keep me up at night  
But now I'm good 'cause I got some hindsight  
And I don't worry 'cause I got my mind right  
And I don't hurry 'cause I know I got time  
And I don't waste shit, not on my dime  
I'm scoopin' up whatever I can find  
Put it on a plate and squeeze some lime  
Cut it up and put it in a line
