

## Stirrin' Up

JMSN

See, I got this feelin'  
That's been eating at my soul  
I feel it in my stomach  
(Up inside me)  
Down the tip of my pole  
(Stirrin' up inside me)  
And I'm tryin' not to let it show  
(Stirrin' up inside me)

See, I feel it stirrin' up...  
Inside of me  
I'm crackin' up...  
From your sodomy  
That's close enough  
I can't take the heat  
'Cause I'm not stackin' up...  
To what you think I should be, yea

It's stirrin' up inside of me  
It's stirrin' up  
(Up inside me)  
Baby, can't you see?  
(Stirrin' up inside of me)  
It's stirrin' up inside of me  
Stirrin' up  
(Up inside me)  
Why can't you see?  
(Stirrin' up inside me)  
Stirrin up'

My temper's flarin' up  
Shakin' in my seat  
My throat keeps dryin' up...  
Everytime I try to speak  
So, I'm packin' up  
Gun up to my cheek  
But the clip keeps jammin' up  
And I can't shake it free

It's stirrin' up inside of me  
It's stirrin' up  
(Up inside me)  
I'm on my knees  
(Stirrin' up inside me)  
Stirrin' up inside of me  
Stirrin' up  
(Up inside me)  
And I'm so beat  
(Stirrin' up inside me)  
Stirrin' up inside of me  
Stirrin' up  
(Up inside me)  
Ooh ooh  
(Stirrin' up inside me)  
Tell me, why don't you see?  
(Up inside me)  
Inside of me

(Stirrin' up inside me)  
Inside of me  
Inside of me  
(Up inside me)  
(Stirrin' up inside me)  
Inside of me
