Tequila in the Bentley fuck the water
Baby fuck the water
Pull up to the club and make my order
Belvedere and don't forget the soda
Don't forget the soda

Now I'm dripping D2 on the runway
They thought could only do it one way
Nah I'd rather do it all the fun way

It's all written babe
I'll tell you the story if you're on my wave
Baby if you're on my wave

Pick a time and day
I'll send you the addy and you're on your way
Hit me when you're on your way
