

## C'est La Vie

Jnr Choi

She's so so fine she a piece  
The way her body figure eight said she's something like half Le  
banese  
Fine wine wine wine  
Dance upon it she a freak  
I wanna have her every single week  
One too many times now she weak  
C'est La Vie

Art of seduction  
I said I like the way your body flows how it functions  
I know how to make your body move no instructions  
I know how to make your body move no instructions

Slow down tell me baby where you wan' go  
Where you never been before  
Yeah I know you're involved  
Slow down tell me baby where you wan' go  
Where you never been before  
Yeah I know you want more
