

Hell Of A Night

Jnr Choi

Ooo, ooo, ooo
Baby
I can't
Lose you
No I cannot
You, you, you
Make me feel new, new new
I can't explain

Hell of a night
I hate that you always put up a fight
Don't mess up my night
I'm done with all your flaws
Get outta my sight

Ooo now you stuck up in my mind
Baby come back
You know sometimes act
We fall out every time
I don't mean to attack
I apologize
And I just hope you make it back
To me

Ooo, ooo, ooo
Baby
I can't
Lose you
You, you, you
Make me feel new, new new

Ooo, ooo, ooo
Why can't I get you, you you
Out of my head
