Drip drip  
Better stick around Imma get it  
Money coming round yeah I'm flipping  
Flipped it

Thick bitch  
Only fuck around if you're lit lit  
Chains on my neck like I'm Slick Rick  
Slick Rick

I never lose  
Vision clearer than your view  
Meditate know what to do  
We on the move

I'm gonna zoom  
Straight to the moon  
Crossing countries like it's new  
With my platoon

We gonna go get it  
Best have your phones ready  
Bring my girl round & she Vogue ready  
Yeah yeah

I don't know no better  
My niggas are all killers  
Pull up tell me that they're both ready  
Yeah yeah

Drip drip  
Better stick around Imma get it  
Money coming round yeah I'm flipping  
Flipped it

Thick bitch  
Only fuck around if you're lit lit  
Chains on my neck like I'm Slick Rick
