

Moves

Jnr Choi

I said your moves
(The way you move)
They got you shining like the sun and the stars and the moon (Shining like the moon)
Lickie scent in the air, what is that perfume?
(Yeah, yeah)
I hear ya voice in my head and I let it fill the room
I let it fill the room, room, room

I said your moves
(The way you move)
They got you shining like the sun and the stars and the moon (Shining like the moon)
Lickie scent in the air, what is that perfume?
(What is that perfume?)
I hear ya voice in my head and I let it fill the room
I let it fill the room, room, room

I want a fighter
Fire like a lighter
Walk in the the room everyting turn brighter
She seems like a rider
Lamborghini spyder
More than a spark
She the apple to my eye yeah

Soar in with her glider
Thought I wouldn't find her
Buss it pretty wide but I tell her buss it wider
Tell me play kinder
Keeper I'm a finder
Come close baby imma hold you tighter

She know I roll with the stacks
Like a wolf yeah I roll with a pack
Hit the road in all black
Touch your soul in a track

Let it loose
Meditate to relax
Free my mind from these shacks
Different flavours different packs

Eye spy a little something like a snack
With her hair slick back
And her waist looking snatched
Come closer, and lemme do you
Over and over

(Lemme do you over and over yeah
Lemme do you)

I said your moves
(The way you move)
They got you shining like the sun and the stars and the moon (Shining like the moon)
Lickie scent in the air, what is that perfume?

(Yeah, yeah)

I hear ya voice in my head and I let it fill the room

I let it fill the room, room, room

I said your moves

They got you shining like the sun and the stars and the moon (Shining like the moon)

No no, I won't let you go, I won't let you go

No way, I won't let you go, I won't let you go

No way, I won't let you go, I won't let you go

No way, I won't let you go
