

NIGHTCAP

Jnr Choi

Love the way you move your body like that
Come on baby make that pussy bite back
I just wanna be your nightcap
Imma make you make that pussy fight back
Love the way you move your body like that
Imma make you make that pussy bite back
Mm, I just wanna be your nightcap
Imma make you make that pussy fight back

She got that warm figure
Thin waist thick thighs
That make her bum bigger
She be pretty but she litty off of one liquor
Tequila margarita with the rim sugar
Yeah she with it for the night
I made her toes curl
She fuck me better than my old girl
Yeah that pussy so good Imma control her
One text and that pussy gon come over

Pull up on me, show it to me, give it to me
Show me something good
Pull up on me, show it to me, give it to me
Show me something good
Pull up on me, show it to me, give it to me
Show me something good
Pull up on me, show it to me, give it to me
Pull up on me, show it to me, give it to me

Love the way you move your body like that
Come on baby make that pussy bite back
I just wanna be your nightcap
Imma make you make that pussy fight back
Love the way you move your body like that
Imma make you make that pussy bite back
Mm, I just wanna be your nightcap
Imma make you make that pussy fight back
