

Reality

Jnr Choi

Get it
Good times on their way just a mo'
I feel it
Uh-huh

Really
The bag we secure every month
Feel me
Uh-huh

Feel me
You already know what I'm on
Scheming
Uh-huh

See me
My fabric that new Saint Laurent
Feel it
Uh-huh

Should've
Would've
You would be me if you could've

Too much of what are you saying but what are you saying when real brothers pull up
One on my left, one on my right
Came back from YB Jewellers
Hop off the plane arrive in Milan, pockets are already fuller

I'm only grinding to take care my family as long as I'm alive I know what to do
Imma take care of my mother my brother imma teach him the game so he runs with it too
Top of the world
No looking back
I just bought land in The Gambia too
Pick what you want, don't peep the tag
Yeah tell me you proud of me boo

Get it
Good times on their way just a mo'
I feel it
Uh-huh

Really
The bag we secure every month
Feel me
Uh-huh

Feel me
You already know what I'm on
Scheming
Uh-huh
