

ROLLERCOASTER

Jnr Choi

My love is temporary, it's just for the night
This shit ain't gon' last forever, just enjoy the vibe
I'm a very honest man, you know I never lie
I ain't a trick, but I'ma trick you, pick it, I'm gon' buy it
Baby go and pick your bag so I can say my byes
Treat me like a rollercoaster, just enjoy the ride
Said my love is temporary, it's just for the night
This shit ain't gon' last forever, just enjoy the vibe
I'm a very honest man, you know I never lie
I ain't a trick, but I'ma trick you, pick it, I'm gon' buy it
Treat me like a rollercoaster, just enjoy the ride

Shit, shit

Please stop asking me the next time you're gon' see me
I been working every night, I get no sleep, sleep
Get the money, count the money, then I repeat, repeat
Found a couple baddies yeah I met them up in Peachtree
Bring that ass over, yeah you know I like em peachy
If that pussy good I'll put you in some double CC's
If that pussy good I think I owe that shit some kisses
