

# I'm Free

Jo Dee Messina

You try with all your mind  
You had to have control you held  
On so tight you almost crushed my soul  
And now I'm breakin' from these chains  
Not lookin' back again

Hey! hey!  
Look at me now I'm flyin  
Cause you ain't got the best of me  
Yaaa these wings will take me higher  
Than you thought I'd ever be  
Yaaa look at me I'm free

Like a king on his throne  
Your heart was made of stone  
You saw what you'd want to see  
But never noticed me  
I was never good enough for you  
Now that we're through

Heyyy look at me now I'm flyin'  
Cause you ain't got the best of me  
Yaaa these wings will take me higher  
Than you thought I'd ever be  
Ya look at me I'm Free!  
I'm Free!

Heey Ya look at me now  
Look at me now  
Cause you ain't you ain't got the best of me

Yeah these wings will take me higher  
Than you thought I'd ever be  
Yeah look at me! yeah look at me!!  
I'm Free...!  
I'm Free.....!!
