

Strong Shot of You

Jo Dee Messina

Hey Hey Hey Yeah
Hey Hey Hey Yeah
Hey Hey Hey Yeah

Well I can't lie from time to time I could use the wine from a girl's
night;
Cabernet won't drown away the kind of day I've had.
The only thing that's gonna do,
Is a strong shot of you.

Gimme Gimme those burnin' kisses that go down easy
Keep a keep 'em a comin' baby, all night long.
I need a hit of your love, just a little buzz, ain't no 90 proof gonn
a do
I need a strong, strong shot of you.

Hey Hey Hey Yeah
Hey Hey Hey Yeah
Hey Hey Hey Yeah
Forget a little, need a lot of your love

The way you kiss, the way you tease, gets me a little bit tipsy
Now I'm just a little bit tipsy
The only thing that's gonna do,
Is a strong shot of you

Gimme Gimme those burnin' kisses that go down easy
Keep a keep 'em a comin' baby, all night long.
I need a hit of your love, just a little buzz, ain't no 90 proof gonn
a do
I need a strong shot of...

You and me I can't get drunk enough on your love, on your love

Gimme Gimme those burnin' kisses that go down easy
Keep a keep 'em a comin' baby, all night long.

Gimme Gimme those burnin' kisses that go down easy
Keep a keep 'em a comin' baby, all night long.
I need a hit of your love, just a little buzz, ain't no 90 proof gonn
a do
I need a strong shot of you.

Hey Hey Hey Yeah
Hey Hey Hey Yeah
Hey Hey Hey Yeah
Don't need a little, need a lot of your love

Hey Hey Hey Yeah
Hey Hey Hey Yeah
Hey Hey Hey Yeah
Don't need a little, need a lot of your love
