

# Don't Wanna Let You Down

Jo O'Meara

So here we both stand after so long apart  
Want to let go but you're still in my heart  
Should I give in to what's on my mind?  
Should I just surrender let fate decide?

Cos I don't wanna let you down  
No, no I don't wanna let you down (oooh)

Do you still remember the laughter and tears  
Who would have thought the memories would last  
All those years  
And I never gave in  
I believe that somehow (yeah yeah)  
That you're the one who really knew me  
Do you know me now?

Cos I don't wanna let you down  
(Don't wanna let you down)  
No I don't wanna let you down (oooh)

Sometimes my mind runs away  
And I need your guidance here tonight (oooh)  
Sometimes help me find the way to love  
To finally love again

Here we are together I'm trembling inside  
But do I keep the memories safe in my mind?  
There's a chance to stop the sorrow  
There's so much to loose  
Are you gonna be the one to show me babe  
The road I must choose

Cos I don't wanna let you down  
No I, no I don't wanna let you down  
No don't wanna let you down
