

Young Hearts Run Free

Jo O'Meara

What's the sense in sharing this one and only life
Ending up just another lost and lonely wife
You count up the years, and they will be filled with tears
Love only breaks up, to start over again
You'll get the babies but you won't have your man
While he is busy loving every woman that he can

Say I wanna leave a thousand times a day
It's easier said than done
When I just can't break away
Just can't break away

Young hearts, run free
Never be hung up, hung up like my man and me (oooh)
Hmmm, my man and me
Young hearts, to yourself be true
Don't be no fool when loving is all there is (oooh)
I said I don't love you

It's high time, just one crack at life
Who we want to live in, trouble and strife
My mind must be free, to learn all I can about me
I'm gonna love me for the rest of my days
Caress the babies every time they say
Self reservation is what's really going on today, oooh

Say I wanna leave a thousand times a day
How can I turn loose
When you just can't break away (just can't break away)

Young hearts, run free
Never be hung up, hung up like my man and me (oooh)
Oooh, my man and me
