

All I Need

Joakim Lundell

Under water
I feel like I'm under water
Cause I can't get to you
Moving closer, but can't seem to find my way to you
I'm still trying to

I hate that you're falling, I know I can't blame you
Who else will love you but me, it's so clear to see
You are all I need

I hate that you're falling, I know I can't blame you
Who else will love you but me, it's so clear to see
You are all I need

You are all I need to survive
Ain't nobody else on my mind
Cause I won't let you go
No, I won't let you go

You are all I need to survive
Ain't nobody else on my mind
Cause I won't let you go
No, I won't let you go

Under water
I feel like I'm under water
Cause I can't get to you
But I won't let you go
I will always be tough for you, baby
And I won't let you go
I will always be there for you

I hate that you're falling, I know I can't blame you
Who else will love you but me, it's so clear to see
You are all I need

I hate that you're falling, I know I can't blame you
Who else will love you but me, it's so clear to see
You are all I need

You are all I need to survive
Ain't nobody else on my mind
Cause I won't let you go
No, I won't let you go

You are all I need to survive
Ain't nobody else on my mind
Cause I won't let you go
No, I won't let you go
