

What Are We Doing

Joakim Lundell

Slamming the doors...
Doing, doing...
Slamming the doors...

So many voices trying to change us
Won't let them reach us, no
Feels like an ocean, always get stolen
They took our highs and lows

And we slamming the doors and we fight
You're planning to leave me tonight
But I know you (know)

What are we doing?
D-d-doing, d-d-doing
What are we doing?
D-d-doing, ooh
What are we doing?
D-d-doing, d-d-doing
Why are we fighting like this?
You're the one I miss, ooh
What are we doing?

Slamming the doors
Slamming the doors
What are we doing?
Slamming the doors
Slamming the doors

So many pieces, trying to fix this
I'm such a mess for you
You give me reasons, but I don't listen
Sometimes it's hard to do

And we slamming the doors and we fight
I'm planning to leave you tonight
But you know I know

What are we doing?
D-d-doing, d-d-doing
What are we doing?
D-d-doing, ooh
What are we doing?
D-d-doing, d-d-doing
Why are we fighting like this?
You're the one I miss, ooh
What are we doing?

Slamming the doors
Slamming the doors
What are we doing?
Slamming the doors
Slamming the doors

The way you look in the morning
All the little things that you do
I don't know where we're going

But it's pulling me closer to you
Ooh, ooh

What are we doing?
D-d-doing, d-d-doing
What are we doing?
D-d-doing, ooh
What are we doing?
D-d-doing, d-d-doing
Why are we fighting like this?
You're the one I miss, ooh

What are we doing?
D-d-doing, d-d-doing
What are we doing?
D-d-doing, ooh
What are we doing?
D-d-doing, d-d-doing
Why are we fighting like this?
You're the one I miss, ooh
What are we doing?

Slamming the doors
Slamming the doors
What are we doing?
Slamming the doors
Slamming the doors
