

# Cover My Eyes

Joan Armatrading

I'd like to end up where we started from  
I'd like the happiness we found  
I used to hope you'd look at me like that  
But now that hope is fading fast

So I cover my eyes, I don't wanna see you together  
Cover my eyes, don't be cruel and blind me with your love  
How I wish that it was me burning up from your sweet kisses  
Cover my eyes 'cause I can't take it

I see you wrapped up in each other's arms  
You're synchronizing footsteps now  
And when you start to fall asleep tonight  
You spoon and whisper words of love

Please, cover my eyes, I don't wanna see you together  
Cover my eyes, don't be cruel and blind me with your love  
How I wish that it was me burning up from your sweet kisses  
Cover my eyes 'cause I can't take it

Cover my eyes, I don't wanna see you together  
Cover my eyes, don't be cruel and blind me with your love  
How I wish that it was me burning up from your sweet kisses  
Cover my eyes 'cause I can't take it

(You've found your faithful heart)  
Cover my eyes

Cover my eyes, I don't wanna see you together  
How I wish that it was me burning up from your sweet kisses  
Cover my eyes 'cause I can't take it

Cover my eyes, I don't wanna see you together  
Cover my eyes, don't be cruel and blind me with your love  
How I wish that it was me burning up from your sweet kisses  
Cover my eyes 'cause I can't take it  
I can't take it  
I can't take it
