## (I Love It When You) Call Me Names

## Joan Armatrading

I just wanna see you at night Don't come 'round my house in the day I love it when we start up a fight And I love it when the fight ends your way

I love it when you call me names I love it when you call me names I love it when you call me names

I can't wait to see you again I know you're gonna slap my face You beat me up then beat me again And over and over and over and over and over

I love it when you call me names I love it when you call me names I love it when you call me names

Big woman and a short, short man And he loves it when she beats his brains out He's pecked to death but he loves the pain And he loves it when she calls him names

Big woman and a short, short man And he loves it when she beats his brains out He's pecked to death but he loves the pain And he loves it when she calls him names

I love it when you call me names I love it when you call me names I love it when you call me names

She's wearing heavy leather with lace He dresses up in cowboy taste They punish then they think up a crime It's their way of loving, not mine

I love it when you call me names I love it when you call me names I love it when you call me names

Big woman and a short, short man And he loves it when she beats his brains out He's pecked to death but he loves the pain And he loves it when she calls him names

Big woman and a short, short man And he loves it when she beats his brains out He's pecked to death but he loves the pain And he loves it when she calls him names

I love it when you call me names I love it when you call me names I love it when you call me names
