

# I Love My Baby

Joan Armatrading

My baby says to me  
Come over here  
And talk with me

I go and I sit down  
We talk about the  
Joy we've found

I love my baby  
I love my baby  
So much

Love to hear you  
Call my name  
Out loud  
Love to hear you  
Say I make you proud

But will it end now  
We can't say  
Will we be happy  
All the way

I love my baby  
I love my baby  
So much
