

# People Who Win

Joan Armatrading

I got a feeling in my bones  
Everything is gonna work out

On a spiritual level  
There ain't no mountain  
That we can't climb

Let's go  
Eh oh eh  
Let's go  
Eh oh eh  
Let's go  
Eh oh eh  
Let's go  
Eh oh eh

There is something going round  
Trying to make our lives a wasteland

Put a strangle hold on hope  
But there ain't no tempo we can't play

Let's go  
Eh oh eh  
Let's go  
Eh oh eh  
Let's go  
Eh oh eh  
Let's go  
Eh oh eh

Everybody gets to ride a bad patch of life  
But it don't mean luck is never on your side  
There's a bad man trying to break our backs  
But he'll need the strength of ten before he breaks a sweat

We're fierce like a lion  
Strong in our convictions  
Hey we are determine in our heart and soul

Yeah we stand  
Yeah we fight  
Yeah we hold  
Into the night

Let's go  
Eh oh eh  
Let's go  
Eh oh eh  
Let's go  
Eh oh eh  
Let's go  
Eh oh eh

There's a bad man coming trying to bring us down  
There's a bad man coming trying to bring us down

I got a feeling in my bones  
Everything is gonna work out

On a spiritual level  
There ain't no mountain  
That we can't climb

Hey mister man  
Better get yourself a plan  
If you think we're gonna fail  
Then you've on the wrong track  
I can tell by the way that you're choking for breath  
You know you're looking at people  
Who win

Let's go  
We're the people who win
