

# Overprotected

Joan as Police Woman

Say hello to the girl that I am  
You're gonna have to see through my perspective  
I need to make mistakes just to learn who I am  
And I don't wanna be so damn protected

There must be another way  
'Cause I believe in taking chances  
But who am I to say what a girl is to do  
God need some answers

What am I to do with my life  
(You will find it out, don't worry)  
How am I supposed to know what's right  
(You just have to do it your way)  
I can't help the way I feel  
But my life has been so overprotected

I tell them what I like  
What I want  
And what I don't  
But every time I do  
I stand corrected  
Things that I've been told  
I can't believe what I hear about the world  
I realize I'm overprotected

There must be another way  
'Cause I believe in taking chances  
But who am I to say what a girl is to do  
God I need some answers

What am I to do with my life  
(You will find it out, don't worry)  
How am I supposed to know what's right  
(You just gotta do it your way)  
I can't help the way I feel  
(Help the way I feel)  
But my life has been so overprotected

Release me  
Release me  
Release me  
Release me  
Release me  
Release me  
Release me  
Release me  
Release

I don't need nobody telling me just what I wanna  
What I want, what what I'm gonna  
Do about my destiny  
I say no  
Nobody's telling me just what I wanna do  
I'm so fed up with people telling me to be  
Someone else but me

What am I to do with my life

(You will find it out, don't worry)  
How am I supposed to know what's right  
(You just gotta do it your way)  
I can't help the way I feel  
But my life has been so overprotected
