

## Annie Had a Baby

Joan Baez

Annie had a baby, can't work no more  
No, no, no, no, no, no, no  
Annie had a baby, can't work no more  
Every time she start to working  
She has to stop to walk the baby 'cross the floor

She had to walk with the baby  
Instead of me  
Talk to the baby  
Instead of me  
Sing to the baby  
Instead of me  
Cling to the baby  
Instead of me  
Now I know I know Annie understood  
That's what's happens when the game gets good

Annie had a baby, can't work no more  
No, no, no, no, no, no, no  
Annie had a baby, can't work no more  
Every time she start to working  
She has to stop to walk the baby 'cross the floor
