

# Low Down Chariot

Joan Baez

Low down the chariot  
And let me ride  
Low down the chariot  
And let me ride  
Low down the chariot  
And let me ride  
Low down the chariot  
And let me ride

I've got my ticket  
(Let me ride)  
Yeah I got my ticket  
(Let me ride)  
Yeah I got my ticket  
(Let me ride)  
I said low down the chariot  
And let me ride

Oh, I'm humble to ride  
(Let me ride)  
I'm humble to ride  
(Let me ride)  
I'm humble to ride  
(Let me ride)  
I said low down the chariot  
And let me ride

Oh the train a' comin'  
(Let me ride)  
A train a' comin'  
(Let me ride)  
Oh a train a comin'  
(Let me ride)  
Well low down the chariot  
And let me ride

I'm a soldier  
(Let me ride)  
I'm a soldier  
(Let me ride)  
I'm a soldier  
(Let me ride)  
And low down the chariot  
And let me ride

All\_  
(Let me ride)  
And I'm \_  
(Let me ride)  
Yeah I'm \_  
(Let me ride)  
I said low down the chariot  
And let me ride

I gotta right to ride  
(Let me ride)  
I gotta right to ride

(Let me ride)  
I gotta right to ride  
(Let me ride)  
Oh well low down the chariot  
And let me ride
