

So Soon in the Morning

Joan Baez

So soon in the morning when the clouds roll away
So soon in the morning I'll never go astray
I'll hope and I'll trust and I watch through the night
So soon in the morning when the dark clouds roll away

I heard the voice of Jesus say: come unto me and rest
Lay down thou weary ones, lay down thou head upon my breast

So soon in the morning when the clouds roll away
So soon in the morning I'll never go astray
I'll hope and I'll trust and I watch through the night
So soon in the morning when the dark clouds roll away

Oh Lord I stretch my hands to Thee - no other help I know
If Thou withdray Thou help from me, wherever shall I go

So soon in the morning when the clouds roll away
So soon in the morning I'll never go astray
I'll hope and I'll trust and I watch through the night
So soon in the morning when the dark clouds roll away

I'm standing at the station with the ticket in my hand
I'm standing at the station trying to make it to the promised land

So soon in the morning when the clouds roll away
So soon in the morning I'll never go astray
I'll hope and I'll trust and I watch through the night
So soon in the morning when the dark clouds roll away
