So We'Ll Go No More A-Roving

Joan Baez

So we'll go no more a-roving
So late into the night
Though the heart be still as loving
And the moon be still as bright

For the sword outwears the sheath And the soul wears out the breast And the heart must pause to breathe And love itself must rest

Though the night was made for loving And the day returns too soon Still we'll go no more a-roving By the light of the moon
