

# Troubled And I Don't Know Why

Joan Baez

I'm troubled and I don't know why  
I'm troubled and I don't know why  
Well, trouble on my mind  
Is driving me blind  
I'm troubled and I don't know why

Oh, what did the mornin' say?  
What did the mornin' say?  
When it rolled from the night  
With a dark, dreary light  
Saying, "Another old weary day."

I'm troubled and I don't know why  
I'm troubled and I don't know why  
The trouble on my mind  
Is driving me blind  
I'm troubled and I don't know why

What did the newspaper tell?  
What did the newspaper tell?  
Well, it rolled in the door  
And it laid on the floor  
Saying, "Things ain't going so well."

I'm troubled and I don't know why  
I'm troubled and I don't know why  
Well, the trouble on my mind  
Is driving me blind  
I'm troubled and I don't know why

What did the television squall?  
What did the television squall?  
Well, it roared an' it boomed  
An' it bounced around the room  
An' it never said nothin' at all

I'm troubled and I don't know why  
I'm troubled and I don't know why  
Well, the trouble on my mind  
Is driving me blind  
I'm troubled and I don't know why

What did the movie screen lecture?  
What did the movie screen lecture?  
Well, it heated an' it froze  
An' it took off all its clothes  
An' I left in the middle of the picture

I'm troubled and I don't know why  
I'm troubled and I don't know why  
Well, the trouble on my mind  
Is driving me blind  
I'm troubled and I don't know why

I'm troubled and I don't know why  
I'm troubled and I don't know why  
The trouble on my mind

Is driving me blind  
I'm troubled and I don't know why
