

Reality Mentality

Joan Jett and the Blackhearts

Wanna be a star, well just lower the bar
Humiliation becomes routine
Watch it playing out on your TV screen

You say "Hey look at me!", but fame is tricky

Uppin' the ante for celeb photos

Reality mentality (reality mentality)

It's getting shticky out there, now it's buyer beware
Star machinery is employed
To say "Hey! Enjoy the show of schadenfreude"

It's a reality mentality (reality mentality)
Reality mentality (reality mentality)
Did you look today? You can't look away

It's demeaning, needs steam cleaning
Dramatize and stylize for the prize
Of fame and misfortune, a guise of lies

You live reality mentality (reality mentality)
