

Love Is All Around

Joan Jett

Who can turn the world on with her smile?
Who can take a nothing day
And suddenly make it all seem worthwhile?

Well, it's you girl and you should know it
With each glance and every little movement you show it

Love is all around, no need to fake it
You can have the town, why don't you take it?
You're gonna make it after all

How will you make it on your own?
This world is awfully big
And all this time you're all alone

Well it's time you started livin'
Its time you let someone else do some giving

Love is all around, no need to fake it
You can have the town, why don't you take it?
You're gonna make it afterall
You're gonna make it afterall
